“PTC/USER CLASSIC”

Sunday, June 7, 2009

On Sunday, June 7th, PTC/USER will hold our annual PTC/USER golf tournament at the lovely Shingle Creek Golf Club.

Named by Golfweek as One of America's Top 40 New Courses, and One of Central Florida's Top 10 Toughest Courses by Orlando Business Journal, this spectacular challenge offers five-diamond service standards and an 18-hole, par 72 (7,228 yards) championship golf course.

Architect David Harman, who has constructed golf courses for such noted legends as Jack Nicklaus, Pete Dye, Tom Fazio and Arnold Palmer, has crafted a true masterpiece at Shingle Creek.

Golf Sponsorship Marketing

Following are some significant values that our Global Partners receive by participating as a sponsor of the 2009 PTC/USER Classic:

- PTC/USER will include verbiage on the conference website stating sponsor's name and the sponsorship award
- Sponsors will receive recognition by PTC/USER during the award portion following the tournament
- Sponsors will receive name recognition in conference e-mails promoting the golf tournament

- Sponsors will receive signage recognition during 2009 PTC/USER Classic

We anticipate 75 players for including our exhibitors, members of PTC/USER’s Board of Directors, members of PTC Management, PTC Product Managers, participants of our first ever “Management Track” and of course, “PTC/USER World Event” attendees from around the world.
