IBM System p Rebate offering for PTC Windchill application

PTC Windchill customers are eligible for a rebate when they acquire a solution that consists Of:

- One or more eligible new IBM System p5 (TM) server minimum configurations(s), and
- New PTC Windchill software application

The amount of the rebate will be equal to the total invoice price of the eligible new ISV software license(s) acquired up to a maximum rebate that is dependent upon the eligible new IBM System p5 server minimum configuration(s) acquired.

For additional details on the rebate including availability, eligibility and restrictions please visit one of the following web sites:

- In the United States
<http://www.ibm.com/products/us>

Enter SPECOFFSP in the NavCode(R) window.

- In Canada
